Summer tennis is here!

June is one of the best months of the year for tennis fans in the West Branch area. Perhaps most importantly, **members play free from now until August 31!** But another reason to look forward to June is the tennis on television. Of course, there is the French Open up until June 5. But once that's over, you'll need something to hold you over until

Wimbledon. For that, the only prescription is the Queen's Club Championships, also known as the AEGON Championships. From June 6 until June 12, you can get

your fix of the grass court season's opening tournament. Then, just one week and a short drive away, the best tennis show on earth: Wimbledon. Between June 20 and July 3, you can't miss last year's champ Rafael Nadal battle to keep his title.

So come inside and enjoy free tennis at the air-conditioned West Branch Tennis Club, but don't forget to catch some of the best professional tennis of the year!

Lock Haven Junior Tennis Camp

It's not too late to sign up for the co-ed tennis camp at Lock Haven University! Tennis players ages 10-18 are welcome to come join West Branch's head pro John Dorner for a week of instruction and play. The camp is structured to advance the game of players of all skill levels. All assistants are certified instructors or have played at the college level and have many years of experience teaching. The camp starts on Sunday, June 26 and finishes on Thursday, June 30. For more information, call or stop by the tennis club.

Summer gear

While playing tennis outside is a great way to enjoy the outdoors, you may find that the additional factors, such as the sun and wind, make it more difficult than playing inside. The best way to keep playing your game at

the same level is to have your racquet restrung to account for the menaces of outdoor play. The staff at West Branch has the knowledge of stringing necessary to give you the type and tension of string best fitted to your game. Stop by the desk and ask about stringing anytime!

More Vision:

Between now and July 4th, purchase a Wilson BLX racquet of \$149.99 or more and receive a pair of Wilson Tour Vision shoes for just \$50! That's \$60 in savings from the retail price! Wilson Tour Vision shoes are stylish and yet durable enough to be backed up by Wilson's six month outsole guarantee.

Winter Contracts

Now is the time to sign up for the 2011-2012 winter contracts! Call the club now if you're interested in order reserve your spot. Having a contract reserves a court at the same time weekly for a group of people to play. It's a great way to keep playing through the winter months.
