## The Williamsport Recreation Commission Men's Tennis League

It's time to dust off the racquets and hit the courts for the 33<sup>th</sup> year of competition in the WRC Men's Tennis League. Why has the league been around so long? Lots of reasons: a strong group of dedicated local players, great competition at **your own level of play**, the support of the Williamsport Recreation Commission, **free tennis lessons** from a teaching professional, cool activities like the **beginning of the year party** April 24 from 7-9 p.m. at the West Branch Tennis Club, the **FREE** end of the year banquet, awards and prizes – the list goes on!

League memberships will be accepted by mail for those who simply complete and return the form below. Membership fees are again **\$25 for residents** of the Williamsport Area School District and **\$30 for those residing outside** the district. Mail your payment before the beginning of the year party on April 24 and you can **take \$5 off** your membership fee. This discount applies to everyone regardless of where they live.

The annual **"BEGINNING OF THE YEAR PARTY"** is at the West Branch Tennis Club. Route 15 South, from 7-9 p.m. on Friday, April 24. Those who join on or before that time will receive the \$5 discount. Current members should encourage players interested in joining the league to attend the party. The indoor court time is free to all new and returning members. New members will also be rated to determine their level of competition.

**Questions?** Call League President Joel Reid 326-6296 (home) or 322-8149 (office)
